Zagreb, 11th May 2020

Dear Federations,

CEB Executive Committee held its video meeting on 10th of May. As the situation regarding the COVID-19 pandemic varies from country to country, CEB wants to give the opportunity to all of its members to focus on their national championships in 2020 if possible, so decision was made to postpone all remaining 2020 baseball events to 2021.

The remaining 2020 scheduled events were as follows (event, date and place):

- U-15 European Baseball Championship Qualifiers, July 21-25 in Hoboken, Belgium and Trnava, Slovakia
- U-18 European Baseball Championship, already postponed to september/october, Macerata, Italy
- U-23 European Baseball Championship Qualifiers, August 10-15 in Moskow, Russia and Utena, Lithuania
- European Baseball Championship B-Pools, already postponed to septembre/octobre, Moskow, Russia and Zagreb, Croatia

A decision whether some of those competitions shall be played or cancelled next year in regards to the 2021 calendar and World Cup qualifications process will be made later this year.

Stay safe.

Yours sincerely,

Didier Seminet
